Sir, With reference to Government Proceedings No: 12224-25 / L.F.226-96 dated the 24th January 1902 Communicated with your office No: 577 dated the 25th idem, I have the honor to state that the Government order conveyed in vide Ref 4 Proceedings No: 8313-14 / L.F.226-96 dated the 30th November 1901 Sanctioning Rs 18+15 to Gnanakan was understood to have been superseded by the Subsequent Proceedings vide Ref 5 No: 11119-20 / L.F.226-96 dated the 4th January 1902 Sanctioning Rs 30+10 and Gnanakan was accordingly paid for the whole period as Sanitary Inspector on Rs 30+10 as he

as he was originally entertained by you on that Salary. It will not be right to ask him now to accept any less remuneration and refund the recruiter. Had Gnanakan been informed on his entertainment that his pay would be only Rs 18/- instead of Rs 30/- I am sure he would not have taken up the appointment. The only course now left appears to be to recommend to Govern-ment, that Gnanakkan may be treated as an addl Sanitary Inspector on Rs 30+10 from the 23rd August 1901 the date on which he was originally entertained and that the whole amount of his pay and al-lowance may be met from the provision made in the Budget for the 3rd Sanitary Inspector instead of only part as ob-tained in Proceedings of Government No.: 11119-20 / ~~8313-14~~ dated the ~~24~~ January ~~November~~ 1902 L.F.226-96

Correspondence ending with letter no. 290 dated the 13th March 1902 from the President of the Municipal Commission, Bangalore City, in regard to the pay allowed to Gnanakan for the whole period he was employed as ~~Assistant~~ Sanitary Inspector ~~to~~ of the Municipality.

R.L. 131.

No 772-3 & 18/7/02
L.F. 226-96.

Order thereon

The payment of Rs 30+10 to Gnanakan during the acting period is contrary to Government order on the subject, and it is expected that the

the President will not, in future, allow such irregularities to recur. The amount paid to Gnanakan in excess is, however, sanctioned as a special case, the charge being debited to the savings in the sanctioned allotment under "IV Conservancy" in the City Municipal Budget for 1901-'02.

2. ...It is not, however, understood how this excess payment was made by the Health Officer, whether with the cognizance of the President's Head office or without it. If the former, the President is requested to report what sort of check is exercised by the Head office (President's)

on the accounts and bills prepared by the Health Officer and what is ~~of the President~~ their explanation, for passing more than what was due to the acting Sanitary Inspector
